The new home of the Big Squeeze at Coldbrook

Our summer home at Coldbrook

The Coldbrook facility includes bathrooms and hot showers available to us. There is a nine hole golf course and RV & camp sites with water and electricity at \$20/night. Coldbrook is a gated campground with its own security. We have arranged for a group camping area, but to secure a free campsite and attend, you must RSVP with the **names of all members** of your party listed. (A Facebook entry is not acceptable.) If you do not RSVP, there are campsites available inside the campground for \$20/night. To RSVP or for more information, email us at:
